## St Aloysius' College Art Department – Glasgow School of Art linked project

### Part-time Artist/Designer/Photographer in Residence – Spring Term 2016

St Aloysius' College Art Department is setting up a project with Glasgow School of Art to offer a current or recently graduated artist, designer or photographer the opportunity to work within the school to showcase good practice in an area of the arts.

The successful candidate would work within the Art Department where they would have the opportunity to pursue their own work, as well as, working on a collaborative project with staff and an S2 year group of pupils. There would also be the opportunity to demonstrate techniques and give talks to small groups of pupils. A work space would be made available within the department and there would be a small allowance for materials.

To conclude the residency, there would be an exhibition showing the work created by both the successful candidate and St Aloysius' College pupils.

The residency will be from 5 January until 1 April 2016. The successful candidate is likely to spend one day per week or two half days, to be agreed. The total fee for the residency would be £1200 plus up to £400 for materials.

To apply, please send a full curriculum vitae with details of two referees, up to 9 examples of your recent work and a brief statement saying how you think your residency would benefit the school. Include any links to websites or other work and a completed PVG Enquiry form. Applications should be sent to Lorraine Mulligan at [lmulligan@staloyisius.org](mailto:lmulligan@staloyisius.org) **no later than 12 noon on Wednesday 16<sup>th</sup> December 2015.**

If you would like any further information about the position prior to applying, please do not hesitate to contact Mrs Barbara Daly, Head of the Art department, by email [BDaly@staloyisius.org](mailto:BDaly@staloyisius.org).

St Aloysius' College is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. The successful candidate is expected to become a member of the Protection of Vulnerable Groups scheme.
