THE AIMS OF OUR SCHOOL

Following in the Jesuit tradition of excellence in education for all, attendance at the College should not be restricted solely to children of parents who are in the fortunate position of being able to pay full fees. A limited number of Bursaries are awarded where, for whatever reason, families are not able to fund the full cost of their children's education. It should be noted that Bursaries are awarded subject to funds available. The amount of support provided to individual families who apply for means-tested Bursaries will be determined by not only the Gross Income but also Net Assets (Assets less Liabilities) of the parents concerned and this Application Form is used to determine the extent to which support can be provided by the College.

ASSISTANCE AVAILABLE

Financial Assistance may be given:

1. As an ongoing discount on the level of tuition fees charged.
2. As an ongoing fixed annual amount.
3. As a "one-off" discount.

HOW TO APPLY

Please complete the attached form and return it to the address and by the date shown on the following page. You may be assured that the strictest confidentiality will be observed at all times.

NOTES

1. The Application for Financial Assistance will be processed by the Finance Office and may be presented to the Head Master, Bursary Committee and/or Board of Governors for approval.
2. Documentary evidence will be required to support the information supplied on the Application for Financial Assistance.
3. **Awards granted to parents towards their child/children's tuition fees will be dependent upon the level of Bursary funding available in that year.**
4. Awards are made on an annual basis and parents in receipt of support must complete the Renewal of Financial Assistance form each year unless they no longer require assistance. Failure to submit the Renewal form will be regarded as confirmation that assistance is to cease.
5. The Applications for Financial Assistance and the awards made are subject to audit by the College's **Auditors**.

APPLICATION FOR FINANCIAL ASSISTANCE

SESSION 2019/2020

Applications for Financial Assistance are considered as part of the admissions process and involve consultation with the Head Master, and Bursary Committee. Parent(s) should only apply if they are willing to declare details of Income and Net Assets. Net Assets will be defined as Capital Assets less Capital Liabilities as set out in the following sections of this form.

Where the whole amount of the fees are required to be paid by virtue of a Court Order or separation agreement, applicants are not eligible for financial assistance. You should indicate how many years are payable and any annual variations.
