

**ST ALOYSIUS'  
COLLEGE**

**Email from Mr. John D. Anderson, Depute Head Academic Leadership**

Friday 20<sup>th</sup> March 2020

Dear Parent/Carer,

### **Coursework completion**

We met today with all pupils in S4, S5 and S6 to advise on requirements for coursework completion. The college has created a timetable that details coursework submission dates (e.g. project work to be submitted to teachers by email) and dates when pupils can come into school to complete tasks for specific subjects. We are unable to release this timetable today as we are still seeking clarity from the SQA regarding assessment write-ups for certain subjects. We will write to you on Monday with further details and a timetable. For now, pupils have been advised to work at home towards the deadlines that were set by class teachers.

### **Estimated grades**

A number of parents and pupils have been in touch asking for details about estimates and evidence for estimates. Again, we are awaiting guidance from the SQA. As soon as we have this, we will communicate the details to pupils and parents.

### **Schoology**

Pupils were advised that their priority is to complete any outstanding coursework and that teachers will post appropriate consolidation activities on Schoology from Monday until the Easter break. We will give further updates on this soon.

Kind regards,

**Mr John D Anderson**

**Depute Head Academic Leadership**
