

**Letter from Matthew Bartlett, Head Master**

Tuesday, 17<sup>th</sup> August 2021

Dear Parent/Carer,

**Saturday Morning Sports Provision**

I am delighted to confirm that Saturday sports provision is back, commencing with training and then the resumption of fixtures for Hockey vs Jordanhill on 28<sup>th</sup> August and Rugby vs High School on 4<sup>th</sup> September. The statutory guidance is different for schools from clubs and therefore it is not possible to have spectators for at least the first six weeks of term. All the leading Glasgow and Edinburgh schools are following the same procedures and hope to be able to welcome back spectators once the government changes the guidance for schools.

The timings for each session are given below which will operate on a drop off and pick up basis. Parents should arrive five minutes before the finishing time indicated below. Please **drop** your child either on Cumbernauld Road **or** follow directions to drop off in the car park. **Pick up** is from our car park. In order for this to work, it is important to adhere to the times below and that waiting is only possible shortly before the pick-up time. There is limited waiting possible within our grounds and parking for the full session is not possible.

Pupils should wear full college PE kit & either the college tracksuit or a dark coloured alternative on top. Pupils should wear appropriate footwear that provides support and grip for the underfoot conditions at Millerston. Pupils should also bring a bottle of water (labelled with their name) with them to the session. There are no changing facilities in use under the current guidelines. When pupils arrive, they should report to the member of staff responsible for their activity.

Parking is available at Glasgow Green but there is no access to the stand or building or pitch side areas.
