

Email from Mr. John D. Anderson, Depute Head Academic Leadership and Mr Graeme Smith, Head of S2

Friday 15th May 2020

Dear Parents/Carers,

S2 classes from Monday 18th May 2020

As per previous communications, we will start our new timetable on Monday 18th May. All pupils in S2 should sign-up to the courses they chose for S3 study by 11am on Monday morning. The course codes will be posted on the S2 Schoology page.

It is important that pupils sign-up for the courses they have chosen. We will do a check against pupil choices and will contact pupils and parents where errors emerge. If your son/daughter has forgotten their options for S3, please contact Laura Patrick (LPatrick@staloyisus.org) who will be happy to help.

Mr Smith has posted a video-explainer on Schoology to help pupils. In summary:

All pupils should sign-up to:

- English
- RMPS
- For maths, pupils will continue in their existing S2 Schoology courses.
- The five courses chosen for S3 study.

What happens next?

Pupils will begin their new S3 courses by following the lessons set-up by teachers on Schoology. We will publish a timetable for pupils to help them plan their week. After next week, we intend to publish a timetable of on-line clinics for w/c Monday 25 May onwards, where pupils can get further support with their learning. These will be published on the S2 Schoology page too.

Mr Graeme Smith will continue to look after S2 throughout this transition to on-line learning in S3. If you have any queries, please contact us using the details below.

Kind regards,

John D Anderson, Depute Head Teacher, JDAnderson@staloyisus.org

Graeme Smith, Head of S2, GSmith@staloyisus.org
