Email from Mr. John D. Anderson, Depute Head Academic Leadership and Mrs Lizzie Sturrock, Head of S3

Friday 15th May 2020

Dear Parents/Carers,

S3 classes from Monday 18th May 2020

As per previous communications, we will start our new timetable on Monday 18th May. For pupils in S3, since they are following a two year course, pupils will continue in their current classes. Pupils should follow their existing timetable to help with the flow of their lessons throughout the week.

We will continue to set at least one piece of 'homework' that must be submitted to teachers per subject per week. After next week, we intend to publish a timetable of on-line clinics for wb Monday 25 May onwards, where pupils can get further support with their learning. These will be published on the S3 Schoology page too.

Teachers are currently writing S3 reports which should be published at the end of the month. We will inform you of this in due course.

Mrs Lizzie Sturrock will continue to look after S3 throughout this transition to on-line learning in S4. If you have any queries, please contact us using the details below.

Kind regards,

John D Anderson, Depute Head Teacher, JDAnderson@staloyisus.org

Lizzie Sturrock, Head of S3, LSturrock@staloyisus.org
